

Enrollment in higher study year DME - academic year 2025/2026

Enrollment in the study year for the university integrated undergraduate and graduate study program of Dental Medicine will be held

from September 1 to 19, 2025, from 9:00 to 13:00.

To enroll in a higher study year, it is necessary to achieve 55 or more ECTS credits and return all books to the Faculty library.

Students who have not completed two years of **Latin language** classes must pass that language before enrolling in the second year of study and submit a certificate.

We ask students not to enroll in a higher year via Studomat until all grades for the passed subjects have been entered in the system.

Enrollment process:

1. Enroll in a higher year via Studomat. Enrollment via Studomat will be possible from any computer with an Internet connection.

2. Send to dme@sfzg.hr a confirmation of the tuition fee payment to the IBAN of the School of Dental Medicine, University of Zagreb (IBAN HR7423600001101235285, reference number 00 6526423 – OIB of the candidate)

The control booklet ("kontrolnik") is collected at the student office, and for enrollment it is necessary to bring a photo for the control sheet.

6th year students must choose a thesis topic before enrolling and bring a form signed by their mentor
